Using the Food Pyramid as guide, Domino's can be part of a healthy, balanced diet. Because pizza is customizable, it is possible to enjoy a variety of foods (bread, vegetables, cheese and meats) on a single slice.

Domino's chooses its ingredients on the basis of safety, taste and nutritional content to bring consumers what they want. Domino's dedicates its attention, energy, and resources to one mission: deliver a delicious and hot pizza every time.

If you require detailed information, use Domino's online Cal-o-meter: www.dominos.com > Nutrition
